APPLICATION NOTES ON SELECTED SECTIONS OF THE APPLICATION

Cover Page

Include the name of the proposed charter school in the text box.

Section A - General Information

If the sponsoring entity is a non-profit organization, the name of the sponsoring entity in this section of the application must match the name on the determination letter from the Internal Revenue Service or the application to the Internal Revenue Service.

The determination letter from the Internal Revenue Service showing that the sponsoring entity is exempt from taxation under 501(c)(3) of the Internal Revenue Code or the sponsoring entity's application to the Internal Revenue Service for exemption from taxation under 501(c)(3) of the Internal Revenue Code must be included as part of the application.

NO ARKANSAS STATE DOCUMENTS SUBSTITUTE FOR THIS REQUIREMENT.

Non-profit entities without the required Internal Revenue Service documentation are not eligible to be awarded charters; therefore, any applications submitted without the proper documentation showing that 501(c)(3) status has been applied for or received documentation will not be reviewed.

Applicants who have applied to the Internal Revenue Service for exemption from taxation under 501(c)(3) of the Internal Revenue Code should note that it can be a lengthy process to obtain a determination letter from the Internal Revenue Service. If awarded a charter, students may not be served and a local education agency (LEA) number will not be issued until a copy of the determination letter from the Internal Revenue Service is received at the Arkansas Department of Education.

Section B - Executive Summary

COMPLETING THE SALARY SCHEDULE AND BUDGET TEMPLATE

Personnel Salary Schedule

- As requested, list positions.
- In the cell immediately to the right of each position, state the number of full time equivalents (FTEs) to be employed by the charter school in ~~2016-2017~~ 2017-2018.

NOTES

The number of positions must be stated as the full time equivalent (FTE) of each position. A full time position is 1.00; a half time position is .50. For example, if the charter will have 5 full time positions at 1.00 FTE each and 3 half time positions at .50 FTE each, the 5 positions equal a total of 5.00 FTEs, and the 3 positions equal a total of 1.50 FTEs, for a grand total of 6.50 positions.

The salary schedule must include the positions included in response to Prompts #14 and #15 unless it is clearly explained in the responses to the prompts that a position will not be filled until after the second year of operation.

- In the cell to the right of the number of FTE positions for ~~2016-2017~~ 2017-2018, list the ~~2016-2017~~ 2017-2018 salary to be budgeted for **1.00 FTE** in that position.
- In the cell to the right of the salary for ~~2016-2017~~ 2017-2018, state the number of FTEs to be employed by the charter school in that position in ~~2017-2018~~ 2018-2019.
- In the cell to the right of the number of FTE positions for ~~2017-2018~~ 2018-2019, list the ~~2017-2018~~ 2018-2019 salary to be budgeted for **1.00 FTE** in that position.

NOTES

The salary for 1 FTE will show in the template, and the template will automatically multiply the salary by the number of positions and include all of these calculations, by year, in the subtotal lines of each section of the salary schedule.

- Include the percentage of the salaries to be used to calculate fringe benefits.

NOTES

~~Input the rate as a decimal. For example, if the cost for fringe benefits will be 25%, input .25. When .25 is input, the template will automatically show 25% and calculate the totals for fringe benefits, by year, in each section of the salary schedule.~~

At a minimum, fringe benefits should include amounts required by the Federal Insurance Contributions Act (FICA), teacher retirement, health insurance, and unemployment obligations.

- The budget totals, by year, are automatically calculated in each section.
- Each section total, by year, is automatically added so that the TOTAL EXPENDITURES FOR SALARIES are calculated and included- at the end of the salary schedule on Line-
#112.

The Budget

The budget template is intended to require the applicant to consider the many expenses likely to be incurred in the operation of a school and should be completed as an estimate of the revenues and expenditures associated with the operation of the public charter school.

Two columns in the budget template must be completed, one for the school's first year of operation and one for the school's second year of operation.

REVENUES

All public schools in Arkansas receive state foundation funding in a set amount of money per student based upon average daily membership.

- The number of students for Line #1 and Line #2 is the number of students expected to be enrolled in the public charter school in ~~2016-2017~~ 2017-2018.

NOTES

The number must match the ~~2016-2017~~ 2017-2018 enrollment number provided in other sections of the application.

After the number of students is entered in Line #1 and Line #2, the template will automatically calculate the state foundation funding in Line #1 and the professional development funding in Line #2.

Be conservative with estimates for state revenue. A charter that overestimates its number of students will have to return funds after the "truing up" process occurs. A charter that underestimates the number of students will receive additional funds after the "truing up" process occurs.

The per pupil amounts included in the budget template for foundation funding and professional development may change, but these are reasonable estimates to be used for planning purposes.

- The number of students in Line #3 is the number of national school lunch students expected to be enrolled in the public charter school in ~~2016-2017~~ 2017-2018.

NOTE

National school lunch students are those students who qualify for free or reduced-priced lunches.

- ~~Input the rate in Line #3.~~ Use the dropdown menu to select the following amount that corresponds to the estimated percentage of NSL students:

NOTES

~~The eligible rate for national school lunch (NSL) state categorical funding in Line #3 depends on the percentage of national school lunch students attending the school.~~

~~Use one of the following rates determined by the percentage of NSL students:~~

90% or greater NSL students	\$1,576
70-89% NSL students	\$1,051

Less than 70% NSL students \$ 526

After the number of NSL students and the rate are entered in Line #3, the template will automatically calculate the NSL funding.

The per pupil rates for NSL funding may change, but these are reasonable estimates to be used for planning purposes.

- If the charter will serve another student population for which there is state categorical funding, contact the Arkansas Department of Education Charter School Office for the [funding](#) amount to include. ~~on Line #4.~~
- ~~The number of students for Line #6 and Line #7 is the number of students expected to be enrolled in the public charter school in 2017-2018.~~
- [Provide the enrollment projections for the second year of operation in the 2018-2019 section.](#)

NOTES

The number [of students](#) must match the ~~2017-2018~~ [2018-2019](#) enrollment number provided in other sections of the application.

~~After the number of students is entered in Line #6 and Line #7, the template will automatically calculate the state foundation funding in Line #6 and the professional development funding in Line #7.~~

- ~~The number of students in Line #8 is the number of national school lunch students expected to be enrolled in the public charter school in 2017-2018~~ [2018-2019](#).
- ~~Input the rate in Line #8.~~

NOTES

~~The eligible rate for national school lunch (NSL) state categorical funding in Line #8 depends on the percentage of national school lunch students attending the school.~~

~~Use one of the following rates determined by the percentage of NSL students:~~

90% or greater NSL students	\$1,576
70-89% NSL students	\$1,051
Less than 70% NSL students	\$ 526

~~After the number of NSL students and the rate are entered in Line #8, the template will automatically calculate the NSL funding.~~

- ~~If the charter will serve another student population for which there is state categorical funding, contact the Arkansas Department of Education Charter School Office for the amount to include on Line #9.~~
- Other Sources of Revenue must ~~not~~ include ~~one-time grants or other~~ [only those](#) funds that are ~~not~~ guaranteed at the time that the application is submitted.

NOTES

If an applicant has a guaranteed revenue source, it can be included in the budget, but documentation of the revenue must be included as the last attachment behind

the application form in the PDF file. The documentation must show that the funds have already been awarded for the operation of the proposed charter school.

~~Federal Charter School Program grants are not awarded prior to charter approval and cannot be considered for budgeting purposes.~~

- Totals from the two revenue sections, by year, are automatically added and populate Line #17 [as total revenues](#).

EXPENDITURES

- Totals for the salaries and benefits, as calculated on the salary schedule, will populate the appropriate expenditure lines in the budget.
- List specific vendors by name and include the amount to be paid, by year, to each vendor.
- If the applicant anticipates no expenditures in an area, type a brief explanation where vendors and/or items would be listed. If no expenditures are included for a particular program, the applicant should state the reason.
- Expenses are automatically added and totaled, by year, in each section.
- Each section total, by year, is automatically added so that the TOTAL EXPENDITURES are calculated and included on Line #244.

THE BOTTOM LINE

- By year, the expenditure totals are subtracted from the revenue totals and included as the NET REVENUE OVER EXPENDITURES on Line #242 [at the end of the template](#).

NOTES

Revenue must exceed expenditures.

It is important to maintain a positive balance so that funds are always available for unexpected expenses.

Upon the approval of a public charter school, staff in the Arkansas Department of Education Public School Fiscal and Administrative Services Division will provide technical assistance to assist in developing a detailed budget, specific to the terms of the charter, that also meet the data reporting requirements of the Arkansas Public School Computer Network.

2015-2016 Open-Enrollment Public Charter School Application Review

The charter application should reflect a thorough understanding of key issues and demonstrate capacity to open and operate a quality charter school. Each response should address the topic with specific and accurate information that shows thorough preparation and presents a clear, realistic picture of the ways in which the school will operate.

With that in mind the initial review of open-enrollment charter applications will be conducted by Arkansas Department of Education staff from various divisions that routinely interact with charter school personnel. This group, known as the Internal Charter Review Committee, will assess the application for complete and clear responses and provide technical assistance to the applicants. While the committee will request additional information or clarification, identify concerns with the applications, and review the applicant revisions based on this technical assistance, the goal of the committee is to determine if each response is fully responsive, partially responsive; or not responsive. The Charter Authorizing Panel is tasked with judging the quality of each application and determining what applicants are likely to open and operate high quality charter schools.

A rubric that identifies the criteria for each section of the application follows. These criteria should be carefully considered when writing the application and each applicant should self-assess the draft application based on the criteria and revise the application based on the self-assessment prior to submitting it.
